Insisted that he had nothing to do with American intelligence and that he worked solely for the French. He had spread the story about the alleged American plans in order to reorganise an intelligence system as a means of recruiting ROTHIANN for the Franch. Living in Gras with MORRH, and also working for the FIS, is Errest SPRCHTOLD, born 20 August 1925 in Gras, American citizen, student, single, employed as a commercial representative. DERONOLD works for Dr. Granings in intelligence ratters and is a member of the POS. The American police consider BERCHTOLD to be harmless and not too bright.

2. USATE report PATTAL isted 6 MIN 1950: During a conversation between Pail-T.FLITTEN, Dr. von HOREMA, son of a former Director of the Gredianstalt in Star and formed by the paint of a former Director of the Gredianstalt in Star and formed by the paint of the France, Counters CHORIEKY nee Alagemings and informed the Large paint and the paint of the paint of the British in Tylli and been active in the Abrelli and the Rear Part. DUPLITZIR stated that Eillie MATHEFFER, former intolligence against sho described to the British in Tylli and working at the time in the condensator's office in Vienna, was responsible for many of DUFLITZIR's thought in breast years and he had reason to fear that MANHERGER can continue to game his trouble. HOREMAU then hinted that he and INFLITZIR have connections at their disposal who could cause HARBURGER to disappear. On being questioned about this by informent, NUMLITZIR, Later stated that they had been referring to fierbert LORRIN who was formerly sutive with the lisison staff of General MINAILOVIC and, according to DUPLITZIR, is supposed to have contacts with U. S. intelligence againsts. It is reported that NUETTH comes to Salaburg frequently but that he obviously has contacts with Soviet or Satellite agencies too. In the summer of 1919. MORRIN told MEADE informant HB-1, when he had known before, that he had received an offer to work with the OIB. He had gotten in touch with them by mail as a result of a harmless appearing advertisement in a Vienna daily respaper. At that time, HB-1 broke off contact with MORRIN.

3. As a result of the above USAGE report, Grasper was saked to question 'OTRT! on his contact with Emil DUPLITZES. Grasper's answer is contained in MAYA-6552 dated 11 September 1950: Emil DUPLITZES, born 12 April 1917 in RELEASING OFFICER COORDINATING OFFICER AUTHENTICATING OFFICER
